WRAPAROUND CARE POLICY

As a school we offer wraparound care to:

- provide an affordable, childcare facility for parents/carers.
- provide a welcoming, safe and secure environment for pupils to have care before and after school hours.

We run our own provision which is staffed by our own staff who children know well and this helps in creating a welcoming environment. The children have the opportunity to extend their day on the Silver Street campus (a walking bus is provided to transport the children to and from the Ditton Street campus) and to join in a variety of activities on offer to enhance the interests of the pupils.

The care operates term time only (excluding inset days) from:

- 7.45am
- end of the school day – 5.30pm

Current costs for each session can be obtained from the School Office. All pupil details are taken from SIMs and families are reminded that they must ensure any changes are notified to the office as soon as possible.

Admissions:

- Only children attending Herne View Church of England Primary and its pre-school Apple Orchard are eligible to attend the wrap around care provision.
- All places are subject to availability.
- Parents requiring ad hoc places are welcome to use the wraparound care provided there are spaces. All wraparound care staff are made aware of the details of a new child.
- Children's attendance is recorded in a register.

Booking places:

- Places for Wraparound Care are to be booked via School Comms app and all payments must be made prior to the session attended.
- Priority for places will be given to those pupils that have pre-booked sessions.
- Subject to space, ad hoc places can be booked up to the actual day so long as payment has been made. Booking and cancelling spaces is by 11.30am the day before breakfast club and 11.30am the day of after school club.

- At the end of the session, EYFS and KS1 pupils will be walked to their classes. KS2 pupils will travel to the Ditton St campus in a walking bus.

Provision:

- A range of activities are planned for the pupils depending on their interests and needs.
- They will also be offered a healthy snack at this time.

Food and drink:

Food and drink are prepared and handled in accordance with Food Hygiene Procedures. All staff have their Level 2 Food Hygiene certificate.

Breakfast Club:

Food offered at Breakfast Club includes toast, cereal, milk and water as well as free from alternatives and this is available until 8.20am.

After School Care:

Food offered includes toast, crackers, squash and water along with other snacks that change weekly.

Prior to handling food, staff will wash hands thoroughly and supervise pupils as they do so.

Behaviour:

Whilst attending wraparound care children are expected to follow the school behaviour policy. Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour. If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the wraparound care leader with the agreement of the Headteacher, may decide wrap around care is no longer suitable for the child. The reasons and processes involved will be clearly explained to the child and their parent/carer. This is a very final resort and will only be considered after all other options have been exhausted.

Late collection:

If a parent carer is aware that they will be late to collect (after 5.30pm) they should contact the school office by email and telephone.

Procedure in the event After School Club is unable to operate

It is extremely unlikely that the After-School Club is unable to operate and is only likely in extreme conditions when the school shuts early or does not open at all. If the after school club cannot operate but pupils remain on the premises at home time, a member of the Senior Leadership Team will organise for staff supervision of pupils.

First Aid:

- All accidents will be recorded in the wraparound care accident book and accurately reported to the parents/carer via a telephone call or in person.
- Accident records will give details of the time, date and nature of the accident; details of the child involved; type and location of the injury; action taken and by whom.
- All incidents are dealt with by a qualified first aider. Parents of any child who becomes unwell during the session will be contacted immediately.

Medical conditions:

- It is the parent's/carers responsibility to inform the wraparound care staff of any medical conditions/allergies that could affect the child during the session.
- Any prescribed medication needed should be provided to the main school office in line with school policy.
- It is the parent's responsibility to ensure that all emergency medication is still within its usage date.
- It is the parent's responsibility to inform the main school office of any changes to medical information.
- Where a healthcare plan is in place and already held by the school, it will not be necessary for a new plan to be written, the original plan will be shared with wraparound care staff. Please refer to our booking forms which ask for information regarding medical or dietary needs.
