Herne View Church of England Primary

Working together with families through our home/school agreement

Being part of your child's educational development is a privilege and we want to ensure your child can reach their potential by working together to provide the best possible start to their learning.

As a school, Herne View Church of England Primary will strive to:

- Treat your child fairly and equally in a caring and stimulating environment.
- Encourage and support your child to do their best at all times and aspire for future learning and careers.
- Encourage your child to develop a sense of responsibility and citizenship.
- Be open and welcoming to working with you in partnership for your child.
- Keep you informed about general school matters and your child's progress through a range of means including newsletters, parents' meetings and reports.
- Endeavour to teach your child to the best of our abilities.
- Value your child as a member of the school community.
- Respect confidentiality.

We hope, that as parents/carers you will support this by:

- Seeing that your child goes to school regularly, arriving and being collected on time.
- Ensuring your child is appropriately dressed for school in agreement with the school's uniform policy.
- Attending parents' evening and discussions about your child's progress as well as supporting your child in any home learning activities.
- Being aware of the school's policies and guidance for learning and positive behaviour and making the school aware of any concerns or problems which might affect your child's work or behaviour.
- Working positively in partnership with the school so your child can achieve their full potential. Read regularly with your child at home.
- Informing the school of any illness affecting your child so we know why they are absent.
- Be respectful when speaking/engaging with all staff members.

We encourage your child to be part of this agreement by agreeing to:

- Be kind to other people at school, share in the school values of care, respect and friendship.
- Try their best in all activities and with their behaviour towards others.
- Wear their school uniform with pride.
- Be proud of all their achievements
