Dear Families,

Name for the new primary school in Ilminster

I am writing to advise you of the result of the public vote on the name for the new primary school in Ilminster. The governors would like to thank you all for your support in selecting the name of our new school.

I am pleased to announce that following the vote our new primary school for Ilminster will be called Herne View Church of England Primary School.

Herne View Church of England Primary	368
Apple Orchard Church of England Primary	275
Ile Church of England Primary	118
Shudrick Valley Church of England Primary	68

With the creation of the new primary, the governors have taken the decision to rename the Sunny Ile and Cygnets Pre-Schools. From 1 September 2022 the preschools, whilst still existing on both sites, will be both called Apple Orchard preschool.

This is an exciting step for the new primary school, and we now move into the next phase to design a logo. Again, we need your help to find a log which represents our new school. On Monday we will launch a competition for our community to design the logo for Herne View Church of England Primary and a new logo for Apple Orchard preschool.

Yours sincerely
