### **Summer Fair**

Thank you to everyone for supporting last week's Summer Fair and we are thrilled to say together we have raised £3751.65. This couldn't have happened without so many people being able to give their time, support and donations and we would like to thank everyone involved and especially:

Ilminster football club for running the BBQ  
Chard Tae Kwon Do for their demonstration  
Ilminster diamonds majorettes for their display  
Ilminster fire station  
Rainbow gecko  
The Dolphin (we were running out of pint glasses and they came to our rescue)  
Rawlins Cider  
Bonners  
Laurie from The Spar for donating for the BBQ  
Dan Shortland and the band from Holyrood  
All our wonderful local businesses who provided raffle prizes and especially Numatic for the main prize,  
Staff  
Parents  
Children  
Governors  
And finally Sarah Rogers whose organisation ensures everything runs to precision

Apologies if we have missed anyone out here, without our local community we would not have had such a successful and memorable evening and even the sun shone as well.

## **Sporting Success - again**

Well done to our amazing sports stars who have had success this week.

Well done to our Girls' Cricket Team who were South Somerset champions this week and now go through to the finals in Cleveland next week.

Our Boys' team, also South Somerset champions, played in their final this week and came a very respectable 5<sup>th</sup> out of 9 teams.

### Year 4 educational visit

On Monday, Year 4 went to Coates English Willow. They learnt about how willow is grown, the different uses for willow and how it is important for Somerset now and in the past. Year 3 will be on the same trip this Monday!

### Dropping to and from school

Please can we ask families coming to and from school to be aware of a couple of areas raised with the school this week. Whilst children do not ride bicycles or scooters on the school premises, can you also remind them to be careful when riding on the pavements as we've had some near misses this week. Secondly, we appreciate Fridays can be difficult with refuse collections and bins waiting to be collected on the pavements, but please put these back if moving them to get down the pavement as neighbours have told us that due to being moved the refuse workers then didn't collect. Thank you for your support.

### **Walking from school, school transport and mobile phones**

We will soon be sending out a letter for families to complete if they want to give permission for their child to walk home from school alone. This will be for the new academic year and will need completing even if they have already had permission this year as we will create a new permissions folder.

A reminder that mobile phones should only be brought to school if necessary e.g. walking on own and we would suggest these should only be needed for Years 5 and 6 unless in other exceptional circumstances.

Finally, we will also need families to let us know before the start of next term which days their children will be using school transport. A letter for this will also be sent out soon.

### **Weather**

With this beautiful weather we are having, please can we stress the importance of applying sun cream to your children. When purchasing sun cream many protect for up to 8 hours. Should you need us to reapply sun cream at lunch time for the afternoon session, speak to a member of staff so a consent form can be filled in. Please do not leave sun cream in your children's bag.

### **Spare clothes**

Could we ask that you send your child in with a sun hat and full set of clothes to change into (including pants and socks) as water is always accessible for children to play with.

### **September Sessions**

Our Registers are now open for booking September sessions. Please do let friends and family know and to contact [preschool@herneviewschool.co.uk](mailto:preschool@herneviewschool.co.uk) for an application pack or ring Helen on 01460 259732 for more information.

## Transition sessions for September School starters

The transition sessions have gone well this week and the children have really enjoyed visiting their new classrooms and teachers, ready for September.

We have a further transition session on Wednesday 5<sup>th</sup> July, this is when the children will visit their classrooms on their own.

Silver Street Site – if your child is attending pre-school on the day of the transition session, we will take your child to their new class, we will then collect your child and return them back to preschool.

Ditton Street Site – if your child is attending preschool on the day of the transition session unfortunately we will be **NOT** be able to take or collect your child to their class at Herne View School on Silver Street. This is due to staff ratio of children in session and walking the children over.

## 30 Hour Funding

If you are eligible for 30 hour funding or would like more information about getting extra free childcare hours please look at the following link for more information. If you are eligible for 30 hours funding you need to apply for this before August for the funding to start in September 2023. Please do let Helen know in the pre-school office if you are entitled to it.
