Year 6 Pilgrimage

This week, Year 6 had the first of their leavers' events as they all went to The Minster in Taunton for a service of thanksgiving for their time in primary school. Along with 10 other schools the children joined in the service and also saw a short performance by the Oddments Theatre Company. They were excellent ambassadors for the school and two of our pupils, Bertie and Caitlyn were chosen to give the readings which they did superbly and could be clearly heard by all in attendance. It was also an opportunity for us to share our new school banner and the Diocese presented each school with a candle to take back with them.

Year 4 Play – Pirates of the Curry Bean

Year 4 have been treading the boards at the Warehouse Theatre this week with a three night run of their musical play *The Pirates of the Curry Bean*. All the children performed to a very high standard and clearly had a lot of fun. Performances were also held during the days for all the other pupils in school and the Year 4 children proved to be an exemplary cast, especially filling in for those absent in various performances. This was a magical experience for the pupils and thanks go to the staff, Warehouse Theatre and families who all played crucial roles in this production.

Thank you to everyone who donated for their tickets and gave to the raffle, we raised £371.91 which will go towards the cost of hiring the theatre which is around £700.

Road Closures – Wharf Lane

We have been informed by National Grid that the alleyway between Wharf Lane and Silver Street will be shut between the 17th July and 28th July and from 28th August and 12th September. Please keep this in mind when making your way to and from school.

Reports and Results

Reports will be coming out next week and if you wish to speak to the teacher about your report when received, please contact them via Dojo. The reports will also contain EYFS, Phonics Screener (Y1 and some Y2), KS1 (Y2) and Multiplication Screener (Y4) results. Year 6 SATS results have been sent out this week already. We are very proud of how all our children have done in these Department for Education assessments and we do remember that these only show a small part of your child's education and that our children have seen progress this year across many curriculum and non-curriculum areas.

Bring in a bag

Next week we will be sending home art work, exercise books etc so please can your children bring in a bag Monday morning that is suitable for this. Some exercise books will need to be retained for a year and if your child is chosen the class teacher will let you know.

Check Lost Property

With the end of term we would like to return lost property to its rightful owners. At Silver St this is located in the covered way by the Hall and at Ditton St we will move all lost property to the Cookery Room by the MUGA. This will be accessible every night after school next week. Any lost property left at the end of term that is unnamed will be disposed of or given to charity.
