### **Christmas Lights Switch on**

Thank you to everyone who has volunteered for the Lantern Parade and we now have 28 children representing Herne View. Do look out for us on the night and all our lanterns have been decorated by the pupils.

Next Friday 24<sup>th</sup> November all our classes will be taking a walk around Ilminster to look at the Christmas Shop Windows as we have been given the special task of choosing the Herne View pupils' favourite window and that business will receive the certificate later that evening. We also have Year 3 singing in the Market Square at 2.30pm so we hope to see some families there as well.

### **Remembrance**

Well done to our Year 6 who took part in Remembrance at the war memorial on Ditton St last Friday and at the Minster on Sunday. There is a lovely article about this in this week's Chard and Ilminster Newspaper.

## Parents' Evening

If you didn't manage to see/speak to your child's class teacher over the recent Parents' Evenings please get in touch with the teacher to arrange a mutually convenient time. This does not apply to Dove class families who received a separate email yesterday about their postponed Parents' Evening times.

### **Immunising Pre-School Children against Flu**

This year's flu vaccination programme is underway. Children aged 2 and 3 years old (on 31 August before flu vaccination starts in the autumn) are eligible for a free flu vaccine given as a nasal spray.

Those working in the early year's sector have an important role to play in raising awareness amongst parents about the annual flu vaccination programme for preschool children.

Annual vaccination of children helps provide protection to each child and reduces the spread of flu to their families and the wider community, protecting others who are at increased risk of becoming seriously ill from flu. The flu vaccine also promotes a healthy working environment in nurseries and childcare settings by reducing the risk of flu being spread to others including staff.
