Newsletter number 18 Friday 26th January 2024

How was your day at school?

Thank you to all the families who tried out the questions on the newsletter last week to help their child talk about their learning. This week's questions are:

What did you do today that made your brain work really hard?
Did you do anything that made your teacher say 'well done'?

Please give these a go to encourage your child to think about their learning at school and link this to other learning either at home or in school.

Goodbye to Mrs North and Mrs Dunn

Next week will see us saying goodbye to Mrs North and Mrs Dunn. Mrs North as our Family Liaison/Nurture worker has got to know many children and families through her work and will be greatly missed for the support she offers. We are currently interviewing for her replacement and will let families know when this has been decided.

Mrs Dunn, as our Clerk to Governors provides an invaluable service and we thank her for all her support especially during the amalgamation when she took on a lot of extra work to support with the human resources aspects of setting up Herne View. I'm sure you join with me in thanking both of these staff members and wishing them well for the future.

Come and join us in school – families welcome – messages from your class teacher teams

EYFS/KS1

On Tuesday 20th February, we would love for you to join your child for some of their learning. We will be doing a phonics session and then a reading session, each will be about 20 minutes. It is a great chance to for you see exactly how we teach these lessons and your child would love to be able to show you the amazing learning they do each day. We hope this will help with their reading at home too as you will know how they learn to read in school.

We look forward to seeing you on 20th February between 9:15am and 10am.

LKS2

On Tuesday 20th February, we would love for you to join your child for some of their learning. We will be doing a shared writing lesson in class led by your child's teacher to promote the core language and writing skills that we expect of years 3 and 4 writers. We hope that by sharing this session it will give you a greater understanding of the language and expectations of our lower key stage two children. There will be no written expectation from parents, rather that you get to see your child engage in a writing lesson. We hope you find this offer to experience a writing lesson exciting and useful. We look forward to seeing as many of you as possible on Tuesday 20th February between 10:15-11:00am.

UPKS2

On Tuesday 20th of February, we are offering a warm welcome for you to join your child with their learning. We hope that by opening our classrooms to you, you can understand what your child's learning expectations are and how they experience a typical school lesson. The focus for year 5 and 6 pupils will be to solidify their knowledge on the four key operations in maths, namely: addition, subtraction, multiplication, and division. This opportunity offers a chance for your child to feel proud about their learning and share it with someone they love! We do hope you are able to celebrate your child's learning and partake in their upcoming maths lesson on Tuesday 20th February at 11:15-11:55am!

School car park at Ditton St

With all the scaffolding and building work ongoing at the front of Ditton St please can we remind families that only those with disabled badges should park here and that families and children should not walk through the car park; they need to use the pavement and the pedestrian gate and walkways that are through the gates nearest The Cross.

Young Voices

With Ilminster Rotary, Herne View are once again organising and hosting a public speaking competition for children up to Y5. This year the children will need to talk for 2 minutes (with notes if they wish) on the subject of 'Why my community is a special place to live' – this could be about the topic in general or a specific area the children feel strongly about. There will be an internal competition to find the winners to go forward to the final which is planned for Tuesday 19th March at 6pm. The categories are Reception to Year 2 and Year 3 to Year 5. Further details will come from our English leads to children soon.

PTA update – Disco date

Our disco is in aid of raising funds for the swimming pool and will be held on Friday 1st March in the hall at Ditton Street.

5.30pm to 6.00pm Pre School and Reception (Families can stay for this one) £1 per child

6.15pm to 7.00pm Years 1, 2 and 3 (children dropped off) £1.50 per child

7.15pm to 8.15pm Years 4, 5 and 6 (children dropped off) £2 per child

Tickets purchased in advance by sending the money in an envelope that must have the child's name, class and the emergency contact number for the time of the disco on the front – one envelope per child.

Money should be sent in anytime w/c 19th February and sent to the school office.

The PTA are also looking for some family helpers for each disco, if you can help please let the school office know.

Online Safety Group

We are looking for parents to join our online safety group. We will meet up once every half-term for about half an hour. We will discuss current online safety information to help the children and parents/carers in our school community to be well equipped to stay safe when using technology. We would love to have the input of some of our parents/carers. If you are interested or would like more information, please speak to Mrs Budd (Camelot class) or contact the school office who can pass on your interest or questions.

Milk

Apologies that over the last two weeks we have had a lot of issues with the Milk delivery from Cool Milk. They recently swapped our dairy and after multiple issues we have now had to ask for this to be changed so we have a regular and reliable delivery. We will still be under the Cool Milk scheme and any days missed will be refunded to families. Thank you for your understanding.

Careers week request

From Monday 4th March to Friday 8th March, we will be getting involved with National Careers Week to inspire the children about future career options. We are looking for some volunteers to come in and talk to a group of children about their job. If you would be willing to do so, please send an email to office@herneviewschool.co.uk for the attention of Miss Swinson, with some information about your job, your availability during Careers Week and the best contact number for you. We look forward to hearing from you!

Cold weather

With the cold weather we are having can we ask that children attend each session with hats, gloves (mittens are preferred as they are easier for the children to put on) and suitable warm winter coats as we do spend time outside.

Lunchboxes and drink bottles, Items from home

Some children have had lovely new lunchboxes and drinks bottles for Christmas, can we ensure these items are named as we would not want them to become lost or misplaced. Can we please ask that children do not bring toys from home to preschool to ensure they do not get lost or mixed with preschool resources.
