

Welcome to our Reception Sharing Letter!

At the beginning of each week we will send out a sharing letter via Tapestry Memos. This will give you a weekly overview of the learning we will be covering. It can also help you discuss your child's week at school with them. At the bottom of the sharing letter will be a website and practical activity linked to the children's learning for you continue their learning at as you wish.

We hope you find this useful.
