

Week Beginning - 20.09.2021

Dove  Pippin 
Sandew 

We are very proud of how quickly all the children have settled into school life, particularly how well they have lined up in the mornings.

Please remember to send your child into school with a water bottle every day.

In our learning this week we will ...

Draw a picture of our family

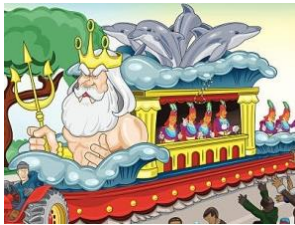

Play some listening games

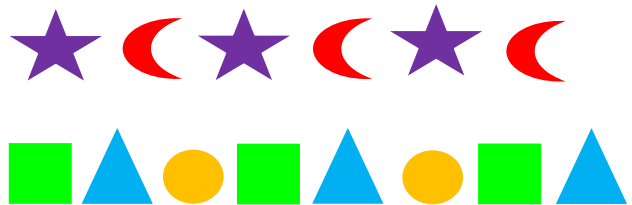

Decorate a symbol for our whole school hall display

Make our class carnival floats

Recognise and continue a pattern

Website of the Week: Patterns - <https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns> - Can you continue the repeating shape pattern?

Practical Activity: Drawing - Can you draw a picture of your family? Do you have any siblings? Do you have any pets? What colour fur do they have?
